

David Packer, Executive Editor at Springer, is looking forward to discussions with the meeting delegates about your publishing plans, and the opportunity to introduce a new, highly selective, open access nanotechnology journal, *NRL Advances*. *NRL Advances* is now accepting submissions at

<http://www.nrladvances.com/>.

Contact David Paker at David.Packer@springer.com and meet him at the NGC2014 exhibition area (Ventana Ballroom C, Memorial Union) on March 12 – 14.
