18.00 -20.00 Volunteers can go for a hiking tour of the island with a tour guide. It will include acquaintance with the famous Shaman rock (cape Burhan), the visiting card of Baikal and visiting of the sandy Sarajskij beach with warmed-up water, bathing in Baikal (option for the most brave).

After the dinner the volunteers can go with the tour guide to the campfire and enjoy the rest of the day while drinking local herbal tea and listen to the legends and stories about the Lake Baikal.

2nd Day - 15th September Ol'khon

You will travel by mini-bus along the North coast of Olkhon from noc. Khuzhir to the North point - cape Khoboy. Trip will last all day and will include visits to the most picturesque places of the coast: the moving sand dunes (area of 3 km²), mysterious rocks on мысе Sagan-khushun's, also named „Three brothers“. On Khoboe you will taste fish soup which is cooked on the fire of famous Baikal Omul.

18.00 Returnin to the hotel, dinner and free time.

3rd Day - 16th September o. Ol'khon - Onkholaya's cape - cape Rytyj - coil Zavorotnaya.

Today you will visit esteemed places of Baikal, which are shrouded by the legends and individual rituals of visiting.

8.00 – 9.00 Breakfast at the base

9.00 – 9.30 Walk to the boat ramp.

9.30 Departure on a high-speed boat.

9.30 – 11.00 Travel to the Onkholaya's cape.

Big section located now on south-east is reserved for Bajkalo-lenskogo's outskirts. It's Southern boundary is a mountain and

Onkholaya's cape. This title means in Russian "the end of the road". At this place Baikal's waves, crash against the great rocks. The road ends there. Short hiking in the area is included in the tour. Northern border of holy place named Anyutkhe's cape is also called "Anyutku". Actually title means - "Woman should close her eyes". As a result women mustn't watch on it.

11.00 – 11.20 Short walk on the cape with a trip leader.

11.20 – 11.50 Travel to the cape of Dug.

Cape Rytj (Khe'r-khushun the angry cape) is located in the central part of Baikal on the West coast, opposite to the most wide place on the lake. No roads are reached up to this place.

River valley Rita running into Baikal, is considered holy by local Buryats. Local residents implicitly execute strictly ancient rules: this place is not visited by local women! Also after a man visits the

valleys, he leaves there his shoe insert.

Cape Rytj is one of the most mysterious places on Baikal. Local captains tell histories about this region, including engines stop working, and how things here get out of control.

Stanovaya crack is an unfreezing split on the ice of width up to 10 meters. Surprising miracle of the nature.

Rytj is part of Bajkalo-lenskogo's preserve territory and to visit this place you have to get the permission.

11.50 – 12.10 Stop at cape
